

## **RAWganics NH ordering info:**

How to order and how the group works: There is a Facebook group at [www.facebook.com/groups/1701670600135138](https://www.facebook.com/groups/1701670600135138) for ordering. If you prefer to use Facebook, click on the link and join the group.

If you don't use Facebook then you can always order sending an email to [rawganicsnh@redtailgalaxy.com](mailto:rawganicsnh@redtailgalaxy.com)

In Facebook, I open an ordering event and you would post your order there. I reply via Facebook messenger with an invoice and payment info.

When you order by email, I reply with an invoice. Payment can be made by check mailed to me, PayPal or Venmo. (those must be used with the send to a friend option) Instructions for payment and address for pick up will be in the email with your invoice. I am located in Manchester, NH.

There is an ordering fee that's listed at the top of the price list. - .12 per pound up to 200 lbs, with a max \$24 fee on an order. I'm not a business and I don't work for RAWganics. I charge what RG charges me for the cost of the product – we all get the wholesale pricing. The fee helps offset the cost of the time that I put into this and pay my helpers with pickup. There are 100+ people ordering and deliveries are usually around 8k lbs.

Pick ups are the first Wed of each month from 10am-7pm. Orders open the Monday, 3 weeks before pick up and are open for 1 week.

If you choose to stay with email, you will need to subscribe to the email list (info below) to get notices of all the open, close, payment due dates. If you go with Facebook, you may still want to subscribe since FB sets notifications on groups to highlights and decides what a highlight is – they rarely get it right.

To subscribe to the email list, click the link below, enter your email address, check your inbox for a confirmation email and click the link to confirm. You will receive a few emails a month - orders open, close reminder, payment due, and pick up instructions. Every email sent will have an unsubscribe link if you want to opt out. The email list is powered by MailerLite and will come from RAWganicsNHcoop at gmail dot com. Make sure this email address is in your trusted email list.
